Course:	Unit 1 Anglo-Saxon/Middle Ages							
Priority Standards: (content specific)	ELAGSE11-12RL5: ANALYZE how an author's choice contribute to its overall structure and meaning as v	_						
	 ELAGSE11-12W3: WRITE narratives to develop real technique, well-chosen details, and well-structured a. ENGAGE and orient the reader by setting out a p establishing one or multiple point(s) of view, and in smooth progression of experiences or events. b. USE narrative techniques, such as dialogue, pacidevelop experiences, events, and/or characters. c. USE a variety of techniques to sequence events s whole and build toward a particular tone and outcorresolution). d. USE precise words and phrases, telling details, a experiences, events, setting, and/or characters. e. PROVIDE a conclusion that follows from and reflethe course of the narrative. ELAGSE11-12W9: DRAW evidence from literary or research. a. APPLY grades 11–12 Reading standards to literat nineteenth- and early-twentieth-century foundation more texts from the same period treat similar there b. APPLY grades 11–12 Reading standards to literation reasoning in seminal U.S. texts, including the application of the same period treat similar there is a standards to literation of the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is the same period treat similar there is a seminal U.S. texts, including the application of the same period treat similar there is the same per	d event sequences. problem, situation, or ob- ntroducing a narrator ar- ng, description, reflections so that they build on on- ome (e.g., a sense of my- nd sensory language to ects on what is experier informational texts to S sure (e.g., "Demonstrate onal works of American nes or topics"). ry nonfiction (e.g., "Deli- cation of constitutional	oservation and its significance, nd/or characters; CREATE a on, and multiple plot lines, to e another to CREATE a coherent ystery, suspense, growth, or convey a vivid picture of the nced, observed, or resolved ove UPPORT analysis, reflection, and e knowledge of eighteenth-, literature, including how two or neate and evaluate the principles and use of legal					
Supporting Standards: (content specific)		nalysis of what the text says where the text leaves matters						
	ELAGSE11-12RI6: Determine an author's point of view or purpose in a text in which the rhetoric is particularly effective, analyzing how style and content contribute to the power, persuasiveness, or beauty of the text.							
	ELAGSE11-12RI7: Integrate and evaluate multiple sources of information presented indifferent media or formats (e.g., visually, quantitatively) as well as in words in order to address a question or solve a problem.							
	ELAGSE11-12RL5: Analyze how an author's choices concerning how to structure specific parts of a text (e.g., the choice of where to begin or end a story, the choice to provide a comedic or tragic resolution) contribute to its overall structure and meaning as well as its aesthetic impact.							
	ELAGSE11-12SL3: Evaluate a speaker's point of view	w, reasoning, and use o	f evidence and rhetoric,					

School District	
	assessing the stance, premises, links among ideas, word choice, points of emphasis, and tone used.
	ELAGSE11-12SL6: Adapt speech to a variety of contexts and tasks, demonstrating a command of formal English when indicated or appropriate.
	ELAGSE11-12L4: Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grades 11-12 reading and content, choosing flexibly from a range of strategies.
	a. Use context (e.g., the overall meaning of a sentence, paragraph, or text; a word's position or function in a sentence) as a clue to the meaning of a word or phrase.
	b. Identify and correctly use patterns of word changes that indicate different meanings or parts of speech (e.g., conceive, conception, conceivable).
	c. Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning, its part of speech, or its etymology, or its standard usage.
	d. Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).
Non-Content Standards: (WIDA, interdisciplinary standards, literacy, etc.)	
Learning Targets: (what learners will be able to do at the end of the learning activity)	Understand the Analyze historical, literary, and linguistic context of Anglo-Saxon literature. Write Create Provide Draw Support
Essential Question(s): (address philosophical foundations; contain multiple answers; provoke inquiry)	 How do the themes from the literature of the Anglo-Saxon period reflect the society? How is the epic hero a reflection of his society? What role does religion play in the lives of the people of the Anglo-Saxon and Medieval periods?
Big Idea(s): (main ideas, foundational understandings, conclusions, or generalizations)	1. Anglo-Saxon literature has several themes: Good vs. Evil, Fate vs. Faith and Christianity vs. Paganism (Animism) to name a few. These themes are reflected in the hero culture of the society and in the conflicts which arose for the Roman church's attempts at converting the Celts and other tribes to Christianity.
	2. One of the most important traits of an Anglo-Saxon hero is Loyalty—to Clan, King, and Father. The Anglo-Saxon epic heromost especially, Beowulfdemonstrates this characteristic repeatedly in the epic, which makes him a reflection of the values of his society. Second to loyalty is Strength and Courage. It is clear that these qualities too, are displayed by our exemplar hero, Beowulf, on several occasions throughout the epic.
	3. The Anglo-Saxon period was a time of religious change. With the many invasions of Britain by foreign tribes, the period was rife with different beliefs and conversions. Most importantlyor most notably, was the invasion of Britain by the Romans. The Romans introduced British kings to the idea of Christianity with its "one God" concept. And once converted, it was the job of the king to declare his people to be Christians. The monks then set forth to translate the literature of the Anglo-Saxons and whatever portions of the works they found particularly offensive to their beliefs, they changed. Hence, there is a tremendous amount of Christian elements which exist in the literature of the Anglo-Saxons which we are privy to. These Christian elements exist, literally, side by side on the pages with the pagan (animist) beliefs of the Anglo-Saxon which the monks had not bowdlerized.
