Chapter 3 Quote Notes

Identify what you believe are the most ludicrous "diversions" (games) that the Lilliputian court plays for status. Quote a line about the games and then explain what Swift intended his point to be when satirizing these aspects of English government.

Game 1	Satirical point
Game 2	Satirical point

Find five examples of the Lilliputian language and make a decision about what you think Swift intended when he created the words.

Examples	Symbolic meaning
----------	------------------

Find four quotes that illustrate the arrogance of the Lilliputian government and/or the superciliousness of the Emperor in particular.
