Chapter 4 Quote Notes

One of the "customs" of the English that Jonathan Swift most sought to satirize was their compulsion to be excessively polite (often while being vicious savages). Find four quotes to support the idea that Gulliver and/or the Lilliputians were excessively polite, even when it was unmerited.

Polite Quote 1

Polite Quote 2

Polite Quote 3

Polite Quote 4

Briefly summarize the source of the conflict between the Big-Enders and the Little-Enders.

Who are the Big-Enders and Little-Enders supposed to represent? (Religiously and nationally)
