

## *Where's the Romance?*

In the boxes below, explain IN DETAIL, using at least ONE QUOTE from the poem per box, how you see each of the Romantic characteristics in Coleridge's "Rime of the Ancient Mariner" (p. 730).

**A Child's  
Sense of  
Wonder  
about  
NATURE:  
obsession  
with  
freshness,  
innocence**

**Social  
Idealism:  
Question  
authority,  
find better  
way to live**

**Adaptation  
to Change:  
Accept  
change  
rather than  
rigidly  
reject it**
